We offer 3 options to take care of your pet's remains. Please initial your choice:

_____ If you would like, you may take your pet with you to bury at home if your municipality allows it, or to have the remains taken care of as you see fit. We will provide a heavy-duty bag for you to transport your pet home. There is no additional charge for this.

_____ We offer Country Cremation through Pet Rest. Your pet's remains will be cremated with other pets, and the ashes will be scattered over the countryside. The charge for this service is \$50.00 for 0-15lbs, \$60.00 for 16-20lbs, \$75.00 for 51-100lbs, \$105.00 for 101-150lbs and \$150.00 for 150lbs or greater. Anything over 175lbs will require a private cremation.

_____ We offer Separate Cremation through Pet Rest. In this procedure, a division system is used to keep pets separated during a cremation. The cremains are then individually placed in a plastic urn. The charge for this service ranges from \$70.00 for extra small pets 3lbs and under and can go up to \$190.00 for extra large pets up to 174lbs. This option is billed to you directly through and payable to Pet Rest Cemetery and Cremation Service. Other decorative urns are available through this service for an additional charge. If you are interested in a decorative urn please ask to see our catalogue.
